

World Building Tips Volume 2 on Sale Now!

I'm pleased to announce that World Building Tips Volume 2 is now on sale. The World Building Tips series is a compilation of how-to info from the World Building Academy mailing list. Now you can get this great assortment of info in one handy reference volume. Book 2 focuses on travel, transportation, communications, and an interesting grab-bag of eclectic. You can see the Table of Contents and preview an excerpt at the book page [here](#)
