

## Novels & Stories

Deborah Teramis Christian is the author of several novels published by Tor Books. They are available online and through used book stores; two more are under contract. For a list of her short fiction currently available, free downloads and a free novel, see this [Short Fiction](#) page. Her short story "[Live Fire](#)" appears in the military science fiction anthology *No Man's Land* and was considered for the 2011 [James Tiptree Jr Award](#).

Teramis has written SPLINTEGRATE, a semi-sequel to her first novel, MAINLINE, which is currently wending its way through the revision and editing process at Tor Books. Her current works in progress are QUEEN VICTORIA'S TRANSMOGRIFIER, a Victorian paranormal adventure, and SITE 3, a Cold War espionage story drawing upon real events and based on her experiences doing intelligence work in Cold War West Berlin.
